Cottons and Beads R1200  
Salaries of Beaders, Sewers and Screenprinters- R34785,2

Please describe your activities, outcome of activities and how many persons have benefitted (please use not more than 150 words).

We would like to express our thanks for the donation received from Weltladen Dachverband. The financial assistance received has in the shortterm benefited 23 people. However we believe in the longterm we will be able to sustain many more people because of the product development and growth that we were able to achieve with this financial assistance. We purchased some necessary tools, and materials which we required for finishes on a new jewelery range. We also invested some of the finances in our screen printing range and in particular the development of new artwork. The rest of the finances were spent on salaries and new skill training of Beaders, Embroiders, Screen Printers and sewers. These worked to produce new samples and products with which we hope to be able to access new markets to replace the ones which we have lost due to Covid pandemic.

We agree that our report and the attached photos can be used for communication to donors and other interested parties, through the website of Weltladen-Dachverband and other media.
